

## Who Makes Up Lutheran Charities?

Lutheran Charities funding comes  
from 3 main sources:

### **1. Lutheran Congregations across WNY and their individual members.**

Some people give directly through their congregations, some give directly to L.C. and some churches designate portions of their benevolent giving to fund L.C. agencies.

### **2. The St. John's Lutheran Home for Children**

generously gives each year through L.C. to agencies that directly support ministry for children and youth. St. John's Board has been a major funding source for youth ministry in WNY for years.

**3. Lutheran Foundations of WNY** has invested money through L.C. that will directly effect congregational ministry programming. Each year the Foundation shares its resources allowing congregational based programs to continue.

Through the generosity of these three organizations we are also able to support agencies such as

#### **St. Peter Lutheran School**
